- **Rules of Civil Procedure**
- **Civil Rules 4 through 5**

NEWSPAPER LEGAL ADVERTISING

When notices for publication are submitted, a bill will be generated by the publisher and issued to the placing agent. The placing agent will be required to pay the bill before the last publication is to run, and prior to any proof of publication issued. Once the bill is paid, the placing agent should forward the paid bill to the Clerk of Courts immediately if the fee is to be included in the court costs.
